

# Average Class Size

In the past 5 years, the overall average class size has remained steady. The average high school class size has ranged from 14.9 to 16.3. The average middle school class size has ranged from 15.7 to 16.8. The average elementary school class size has ranged from 14.9 to 18.3.

Note: When the enrollment in grades 9 and 10 exceeds 50, CAJ tends to add an additional section in math, science, and English.
